STATINTL

Dear 

You and your staff at the training facility have been very supportive and helpful to me and my staff. The past weekend retreat was yet another shining example of all this. We are all very appreciative of your professionalism and dedication.

I have told you many times how impressed I am as an individual by the appearance of the base and by the substantive aspects of the important training work done there. 

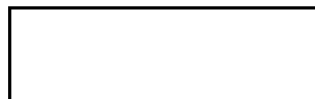

STATINTL
STATINTL

relaxed retirement, you will carry with you the best wishes and deep appreciation of all of us in Headquarters.

Keep in touch and all the best.

STATINTL

Faithfully yours,

E. H. Knoche
